

# WHAT IS 90 LIVES. 90 DAYS. 90 PLANS. THE STAND?

Community-led action to help end  
domestic and family violence

The Stand is NO MORE's most ambitious initiative yet. It is a powerful, community-driven campaign honouring over 90 women lost to domestic and family violence (DFV) in the Northern Territory since 2000.

We are calling on groups and organisations to create 90 Domestic Violence Action Plans (DVAPs) in 90 Days. Each a real, local commitment to change designed and led by community members.

90 LIVES. 90 DAYS. 90 PLANS.

**THE STAND** is NO MORE's most ambitious initiative yet. It is a powerful, community-driven campaign honouring over **90** women lost to domestic and family violence (DFV) in the Northern Territory since 2000.

We are calling on groups and organisations to create **90** Domestic Violence Action Plans (DVAPs) in **90** Days starting on 7 August 2025.

### Why It Matters

The more than 90 women who have been killed in the NT since 2000 were loved and valued, they were mothers, sisters, daughters, friends. Their lives matter, and **THE STAND** is about turning remembrance into real transformation.

### What is a DVAP?

A Domestic Violence Action Plan is a practical promise made by organisations, clubs, workplaces, or community groups to take action against violence. It can be a formal policy, a creative project, or a set of shared actions, anything meaningful that breaks the cycle of violence.

### Join the Movement

**THE STAND** is more than a campaign, it's a movement of Territorians saying NO MORE to violence with each DVAP a real commitment to change. Change begins with community. **Change begins with you.**
